Faith	<i>Team Coach: Stephanie</i>	Tristen Gomes		before 11:30	

PLEASE SEE NOTES ON THE FOLLOWING PAGE

Notes

Team coaches are volunteers that will be here on Saturday and Sunday to assist, organize and coach our teams. Without their generous help and giving our riders their time, these horse shows could not be run safely.

Team coaches are the rider's direct contact for questions and assistance while here both Saturday for Team Horseman

Horses will be bathed in their paddocks. They can rest in their stalls after their baths while drying.

There will be two stations set up on Saturday for clipping the horses.

Car traffic will be heavy on both Saturday and Sunday. We park vehicles on our lawn for these events. Joe will set up the parking area.
Please follow the parking method when you arrive.

We are having a lunch concession stand on show day. We are going to use the proceeds to help pay off Oisin's hospital bills.
Please consider purchasing lunch from our stand to help us with that financial challenge.
A donation glass will be available at the concession stand for cash donations if you would like to help.
Thanks to Claudia and her husband for already volunteering to shop and cook. I do need more cooks.

Please ask your friends/family members coming to watch to be seated at the arena near the bleachers. Please prevent parking cars at the back of the arena.

If you have any questions, please feel free to text or email me. Thanks, Jane!
